

PARTNERS
FOR ENDOSCOPY

Disposable Air/Water and Suction Sets

Eliminate the 30 steps involved in decontaminating Air/Water and Suction Buttons by using our, British made, single use solution.

NOW WITH BRAND NEW FEATURE

These Air/Water and Suction Buttons have been developed to include finger grips to make them easier and more efficient to use.

See in this image, how there are now finger grips to help you to insert and remove the buttons more easily.

Another British made product bought to your endoscopy unit by Partners'

Product code: PFE306
